

**Does your property need some love and care?**

## **COMPLETE PROPERTY MAINTENANCE AND IMPROVEMENTS**

**Don't have time to complete that DIY project?  
Not sure where to start with your renovation?**

**We specialise in carpentry work, decks, pergolas, renovations and extensions, fencing, lawns, gardens, landscaping and much more...**

Have your property maintenance carried out by qualified carpenters, both with thirty years experience in the industry.

Honest reliable tradesmen. We take pride in our workmanship.

- Property maintenance and management
- Insurance work
- Emergency work 24 hours, seven days a week
- Over 30 years building experience
- Network of quality qualified tradesmen

**24/7  
EMERGENCY  
SERVICE**

We are backed by our network of quality trades, including electricians, plasterers, plumbers, painters and tilers - we will organise the trades for you and oversee the project.
